NATIONAL SAFETY ALERT

INCIDENT UPDATE

Employee seen by WorkSafe Inspector not wearing PPE when concrete cutting

EMPLOYEE FINED \$500

- Person was wearing safety boots and earmuffs, shorts and t-shirt
- Employee had gloves, goggles and dust mask in company vehicle
- Full face shields were available at the branch
- Employee was working alone – did not have a spotter

WorkSafe has fined worker \$500 for failing to wear PPE

Actions to take...

- If we provide it, you have to wear it – NO exceptions
- Make sure it fits properly and don't share gear
- Check the SHEQWMS or Hazard and Risk Register for task PPE
- Don't work if you don't have it – STOP and get what you need
- PPE only protects you if you're wearing it correctly
- If in doubt – ASK!
